

dream queen

Musik: Stephan Wissnet Text: Stephan Wissnet

dream queen... lookin´ deep into your eyes
glancin´ endlessly like skies
of a world that´s lost within us
reaching the sorrow of our souls
as we are fighting to deliver
freedom

dream queen... the touch of your lips
will open the door
to a 1000 dreams I´m longing for
approaching my core
with a feathers touch
the penetrating streams of fudge
do reassure the hearts of many
try to be sure that you can cope any
of the dreams you had as we where one
remember your mother,
remember the -SUN -
